Chapter 11
Case No. 08-13555-JMP (Jointly Administered)

Debtors.

JOINDER OF CHRIS STOVIC IN THE OBJECTION TO CONFIRMATION (Docket. 21573) AND IN THE MEMORANDUM OF LAW IN SUPPORT OF THE OBJECTION TO CONFIRMATION (Docket. 22793) FILED BY THE TEXAS COMPTROLLER OF PUBLIC ACCOUNTS AND MY DOCKET 18493.

CHRIS STOVIC hereby joins the objection filed by the Texas Comptroller of Public Accounts ("Texas") to confirmation of the Debtors' third amended joint plan (Docket. 21573) and the memorandum of law filed in support of the objection (Docket. 22793). In joining the objection and memorandum, CHRIS STOVIC states:

1. There is a continuing problem with debtors attempting to use the confirmation process to rewrite Bankruptcy Code provisions to divest States – and in particular State taxing agencies – of rights they possess under the Bankruptcy Code. As Texas points out, these attempts often include attempts to limit or even totally eliminate offset/recoupment rights and to expand the scope of the tax exemption under §1146(a) both to include taxes that clearly fall outside the ambit of the statute as well as to include

pre-confirmation sales thereby evading the holding in Florida Dep't of Revenue v.

Piccadilly Cafeterias, Inc., 554 U.S. 33 (2008). Once a State objects, it is then common

for the debtor to attempt to carve out the objecting individual and State but provide for the objectionable revisions to bind all other States and other creditors. This practice needs to end.

2. Chris Stovic joins the objection and memorandum filed by Texas in order to highlight the recurring problems caused by this practice.

3. In the circumstances, Chris Stovic believes that the objections filed by Texas are well founded and therefore files this joinder.

Wherefore, Chris Stovic requests that the order not be entered unless and until the matters raised in Dkt 18493 and in Texas' objection are remedied.

December 01, 2011

Respectfully,

Chris Stovic
